enterprise europe network

ENTERPRISE EUROPE NETWORK - DOBRICH

From 1999 till 2006, CCI Dobrich was host structure of Euro-Info Center, which provided value-added services to SMEs in the region of Dobrich, on EU subjects.

Within the CIP program (2007-2013) CCI - Dobrich is one of the host structures of the Enterprise Europe Network (http://www.enterprise-europe-network.ec.europa.eu/index_en.htm) - the largest network of contact points providing information and advice to EU companies on EU matters, in particular small and medium enterprises (SMEs).

The Enterprise Europe Network fully exploits the synergies between all support services and helpdesks aimed at European businesses. The "one-stop shop" service is accompanied by a "no wrong door" policy. The Enterprise Europe Network offers a comprehensive range of services for European SMEs and entrepreneurs, providing tailor-made solutions at any stage of a company's life cycle:

Providing information and practical advice on market opportunities, European legislation and policies relevant to a company or sector. Helping SMEs to find suitable business partners using its business and technology cooperation database, providing information on tender opportunities and international networking.
